Dear Tom,

I'd like to get copies of the CIA records of your 7/21 release.

Can you please tell me how to identify them and how to address my request?

I've not been to the new Archives building and do not know its address.

I'm told that Mrs. Boggs said something like "they've not told us all they know," attributing it to her husband.

If that page or the full transcript of her testimony are available I'd like it. Please tell me the cost.

Those are the words Senator Russell used to me.

He meant them most of all about Oswald.

Thanks and best,

Harold
